

CAST OPINION POLL BEGINS TUESDAY

A company-wide Cast Opinion Poll will be conducted throughout Walt Disney World beginning next **Tuesday, May 30** and continuing through **Sunday, June 4**. The Cast Opinion Poll provides all cast members . . . permanent, casual regular and casual temporary . . . with an opportunity to express their feelings about the Company.

This marks the third time a Cast Opinion Poll has been conducted at Walt Disney World. The results of the previous two Opinion Polls . . . in 1973 and 1975 . . . were carefully analyzed and proved to be very helpful to management in learning more about our company and our cast members, and their feelings about the Company.

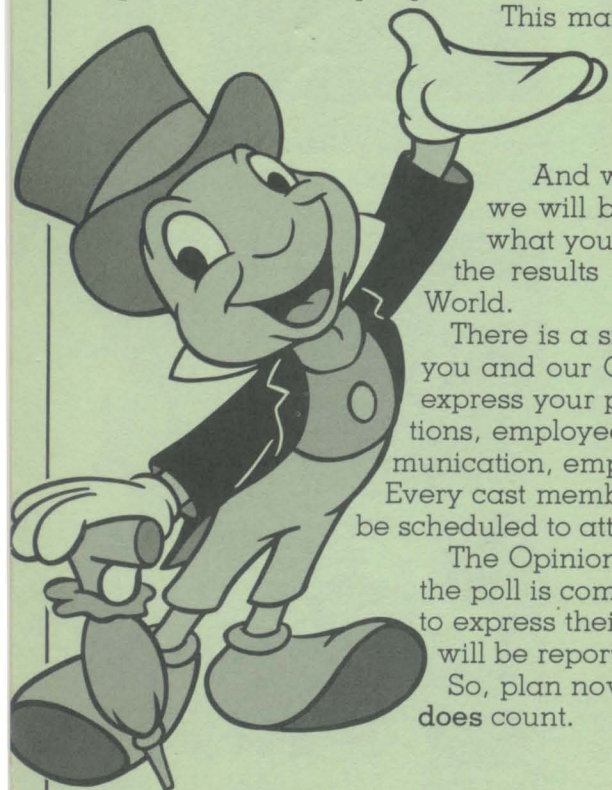

And what about this year's poll? Well, it is hoped that through **your** input we will be able to measure our progress over the past three years, identify what you like as well as what you may not like, and again carefully analyze the results to help us continue to move forward in improving Walt Disney World.

There is a sincere interest in your opinion on the many things that daily affect you and our Company. Through the Opinion Poll you'll have the opportunity to express your personal feelings about many things including your working conditions, employee benefits and services, pay, job satisfaction, supervision, communication, employee activities and much more.

Every cast member is urged to participate in the Opinion Poll, and each of you will be scheduled to attend one of the polling sessions sometime during your work day.

The Opinion Poll is being coordinated by the Disney University and, of course, the poll is completely confidential and anonymous, as we want all cast members to express their honest opinions. As soon as the results have been compiled they will be reported to all cast members.

So, plan now to participate in the 1978 Cast Opinion Poll because **your** opinion does count.

GREETINGS FROM VICKI

Dear Cast Members:

It's hard to believe half my year is over, which means we will soon begin looking for my successor. I can honestly say it's been a busy six months, and I would just like to let you know some of the things I've been doing since my return from Europe.

I participated in the second series of target markets which included visiting the cities of Milwaukee, Chattanooga, Richmond, Mobile, Winston-Salem and Minneapolis. I've had the honor of meeting many city officials and mayors in the different places we visited.

I have also been involved with several activities within the local community, including two ribbon cutting ceremonies, one at the Lake County Fair and the other at the dedication of the Orlando International Arrivals Building. Also having the opportunity to give slide and film presentations to local elementary schools this year has been a challenging and most rewarding experience.

I just returned from South Carolina where Mickey and I were honored guests at the National Association of Theater Owners Convention. At their banquet there was a large birthday cake and a beautiful plaque commemorating Mickey's 50th birthday!

I'll be leaving soon for a two-week tour of Florida, and you will hear more about that in my next letter.

It is an honor to represent all of you during this exciting year. I hope you have a safe and happy summer!

Sincerely,

Vicki

Vicki Jaramillo

Television and radio interviews are an integral part of our Ambassador's duties. Vicki and Mickey recently appeared on "Women's World" in Mobile.

Vicki and Mickey visited many hospitals while on target market tours.

At the dedication of the International Arrivals Building at Orlando International Airport, our ambassador, Vicki Jaramillo, and Mickey Mouse were among the first to tour the new facility.

Mickey Mouse and Vicki presented Mayor Mims of Mobile, Alabama a Walt Disney World globe at a ceremony proclaiming Walt Disney World week in Mobile.

Vicki hosted many slide and film presentations to area elementary schools throughout the Spring.

DIRECT PAYROLL DEPOSIT AVAILABLE

A number of cast members have already taken advantage of our newest employee benefit, **Direct Payroll Deposit**. While enrollment has been in progress for one month, you may still sign up for this convenient service.

Direct Payroll Deposit is a service which allows you to have your weekly paycheck deposited directly to your individual bank account in the bank of your choice.

Here's how it works:

1. Complete a Direct Payroll Deposit Request form authorizing Walt Disney World to deposit your paycheck directly to your personal bank account. Forms are available from the Payroll Office in the Center.
2. You will receive your paycheck stub each week, as usual, listing all pertinent information.
3. If you bank at any branch of Sun Banks of Florida your paycheck will be credited to your account every Thursday.
4. If you bank at most other banks, your paycheck will be credited to your personal account no later than Monday. This delay is due to the time required to transmit the information on your account through the Automated Clearing House bank system to your particular bank.

That's all there is to it. Your paycheck will be automatically deposited to your personal account each week and you can start enjoying the benefits of Direct Payroll Deposit . . . no more hurrying to the bank before the weekend starts . . . no more waiting in lines to deposit your paycheck.

This new employee benefit is available to cast members who have been employed for 90 days or more and is being provided through the cooperation of Sun Banks of Florida, the Official Bank of Walt Disney World.

FRENCH-SPEAKING EMPLOYEES NEEDED

Interviews will be conducted Thursday and Friday, June 8 and 9, from 10 am - 5 pm, Saturday, June 10, from 10 am - 3 pm, to identify these employees as well as to evaluate their proficiency in French. At the present time we are only looking for employees who can communicate fluently in both French and English.

language classes please call extension 4744, or stop by the Disney University to sign up during normal business hours Monday-Saturday 8 am - 5 pm.

LETTERS TO US

During a time like this we learn how much our friends really mean to us. Your expression of sympathy will always be treasured.

Elmae Kwader & children

My family and I wish to thank all of you for the kindness shown during the illness and death of my father.

Billy Higgins

Thank you very much for the lovely flowers which you sent to me during my recent stay in the hospital.

Anne M. Herbert

The flowers were beautiful! Thanks so much.

**The Nathaniel Douglas
Bovher family**

Dear Cast:

Thank you for the flowers and all your kind expressions of sympathy during the recent loss of my father.

Sincerely,

Pat Baker and Family

Many thanks for the flowers you sent me during my recent hospital stay. The beautiful flowers brightened my room. It sure is good to be thought of!

Gil Gerstein

"It Takes People"

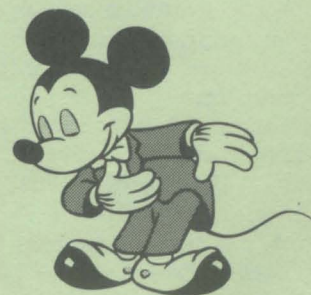

Helping other people arrange their vacation and travel plans is the perfect job for **Lisa Hiatt**, a travel buff herself. Originally from Ventura, California, Lisa traveled East and settled in Florida with her husband Randy after he was transferred here in 1972. As a travel consultant at Walt Disney Travel Company, her responsibilities include booking some group tours, like the July Hawaii tour which she's joining! While she has already traveled extensively through the U.S., Canada, and parts of Mexico, Lisa says she still wants to see Europe! When she's not arranging tours or traveling herself, Lisa spends time trying out new recipes . . . her favorite being Mexican recipes . . . and planning for the new house she and her husband are building.

A familiar face to many, **Pharoh Henderson** has been a member of our Security department for over seven years and has worked at almost every Security location on the property. Originally from Sanford, Florida, Pharoh attended Florida A & M University on a football scholarship for a year before departing to Connecticut. After 10 years managing a warehouse for a pharmaceutical firm, Pharoh was tired of the cold and snow and came back to his home state and a job at Walt Disney World. When he's not working he enjoys playing basketball, shooting pool, and spending time with his 13-year-old daughter, Gail, at her favorite place . . . the Magic Kingdom! Pharoh says he likes it here so much, he'll probably stay until he retires.

Receiving on the job experience while attending college is probably one of the best ways to become an "expert" in your field, and that's just what **Ed Colcord** of our landscaping department is doing. A native of Panama City, Florida, Ed came to Orlando after graduation from Bay High School to work and study! Presently an evening student at Valencia Community College studying horticulture, Ed's days are busy tending the plants around our Contemporary Resort Hotel. After graduation from Valencia, Ed plans to continue his education and eventually receive a four-year degree. Between his work and studies, Ed enjoys numerous sports, including golf, tennis, football, and water skiing, and enjoys working with his church's youth program.

1ST RAFT TRIP COLD BUT EXCITING . . . 2ND NOW ON TAP

With a winter-like storm lashing out about them as temperatures dropped to the upper 40's and lower 50's in the North Carolina mountains, our brave but cold participants of last weekend's White Water Rafting Expedition struck out down a rain-swollen *French Broad River* . . . and got the ride of their life!

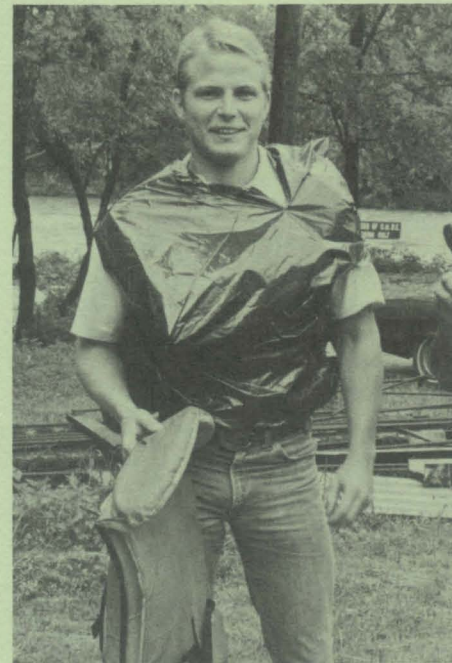

The fun began right away, as several rafters were tossed into the cold mountain water in Sandy Bottom One, an early set of big rapids on the eight-mile stretch of river, and before finishing the series of thundering white water, there wasn't a dry person to be seen!

Draped in plastic garbage bags, layer after layer of wool shirts and a bulky rafting life jacket, everyone came out of the river, after two-days of being battered down the rapids, literally shouting for joy! There were plenty of goose bumps, but also plenty of people ready for another day on the river.

And here's your chance . . . as the Snow Skiing Club prepares for their next **White Water Rafting Expedition**

on the *Chattooga River* in North Georgia. The *Chattooga*, made famous in the movie *Deliverance*, is classified as one of the three wildest rivers in the East! And that's where the fun will begin, as the rafters tackle Section-3 on Thursday, June 22, and Section-4 on Friday, June 23. The format is the same as other trips, you'll depart Wednesday evening and return early Saturday morning. The price is still being determined, but will be approximately \$100. Cast Activities is now accepting reservations on a first come, first serve basis. Call them today for full details and the exact price . . . and get set for the ride of your life!
